INITIATIVES BY NRWA

- Less than 24 hours after the district administration declared nine places as 'containment zones' in Gurugram that included Nirvana Country, the Nirvana Country Resident Welfare Association (NRWA) had sought the review of the order, saying the society had no fresh case since almost three weeks, and all previously reported cases and person have recovered post self-isolation.
- Thanks to the efforts Nirvana Country is now out of containment zone.

Containment zone order: residents call for review

ASHOK KUMAR
GURUGRAM

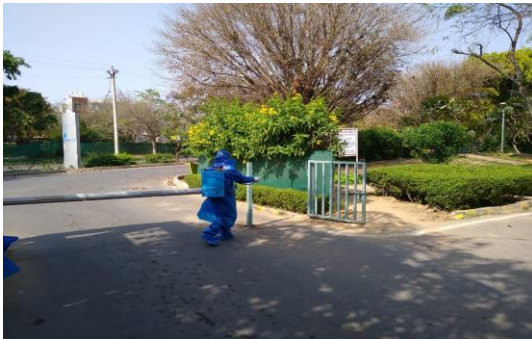

Less than 24 hours after the district administration declared nine places as 'containment zones' here, the Nirvana Country Resident Welfare Association (RWA) has sought the review of the order, saying the township had no fresh case since almost three weeks.

"Two persons had tested positive for COVID-19 before March 19 in the apartments and both have now recovered. There have been no fresh cases since then. So the decision to declare the township a 'containment zone' came as a surprise. We have approached the offices of Deputy Commissioner and the Municipal Corporation of Gurugram Commissioner to seek review," said Nirvana Country RWA president Alok Bansal.

NRWA organized Grocery Shops within Nirvana Country. Tying up with various vendors to come and sell the daily necessities in safe and convenient environment for the residents, Municipal Corporation Vending Truck was also Called in for the Grocery Shop.

- The online payment for newspapers was felicitated in order to prevent the newspaper vendors from entering the society encouraging Social Distancing.
- NRWA has made sanitation of the society its priority organizing the sanitation activities from the government and also in house along with regular fogging activities to keep Nirvana Safe and healthy.

- Online Grocery Store through Society Connect & Big Basket was introduced for added convenience of the residents and the Grocery so received was segregated at the Office Level in safe sanitized environment and then sent across to the concerned Houses. The Feature was activated for NRWA within 24 Hrs of its Launch PAN India and Nirvana was among the First few Societies to avail this feature.
- Temperature Screening on the Gates and Hand Sanitizing Booths were placed at Each gates, Nirvana was among the first responders to initiate the Coronavirus prevention activities.

- Mobile ATM
- Hand Cleaning Station
- Temperature Screening
- Masks Made mandatory for visitors and staff
- Staff was encouraged to exercise personal hygiene
- Coronavirus Prevention Charts is placed at each gate in local language understandable by all

- NRWA has been tracking and is getting regular updates on the self-isolation cases in the society.
- Introduction of SOS button on Society Connect app is another initiative by NRWA for the welfare of the residents. The Office teams Called up Elderly residents and explained the feature and ensured understanding, the Office is equipped to provide immediate assistance as and when needed.

INITIATIVES BY RESIDENTS

- As per Prime Ministers Appeal to Encourage and Celebrate the Frontline Workers the Residents rose to both the Occasions and showed the strength of Unity and their solidarity with the country

- Self-isolated themselves and intimated the office for tracking.
