

GOVERNMENT DIRECTIVES/NOTICES

Date 9th April 2020

It is to inform to all that District medical team is visiting our colony for survey of our residents as a preventive measure of COVID-19.

To avoid movements inside colony, We have arranged them to make survey from our gates through Intercom and security mobile phones. In the process they will call and ask information for survey.

Kindly accept call from intercom and security mobile phones of gate. If both intercom and mobile goes unanswered then they will visit the houses for survey.
